27 May 2021

Dear Parents & Carers,

You will be aware from the state government's announcement this morning, that the state of Victoria will be going into a 7 day lockdown as from 11.59pm tonight.

This means schools will be closed as well. However, as has been the case in previous lock-downs, our school will provide onsite supervision for vulnerable children and children of parents who are essential service workers. If you or your children meet this criteria please register:

For onsite supervision tomorrow Friday 28 May: <https://forms.gle/UDHAWcteJD2tqJHm6>

For onsite supervision Monday 31 May to Thursday 3 June: <https://forms.gle/v1Ff8fg9F6KvdiAT9>

Due to the short nature of the lock-down, the teachers will provide lessons as follows:

- **Foundation to Middle 4:** *Hard copy learning packages which can be collected from the office Monday morning.*
- **Senior 5 & 6:** *Online learning packages which the students can access **from Monday** using their computer.*

Please note: Tomorrow, **Friday 28 May is a planning day** for teachers to prepare for remote learning. Therefore there is NO hardcopy or online learning for the students and children attending onsite supervision will be playing games etc.

The YMCA will be operating before and after school care for the duration of the lockdown

I will update you next week on the lockdown arrangements as I receive further information from the government and Catholic Education.

In the meantime, please stay safe and stay healthy.

Regards,

Mr Matthew Mann  
Principal
